D. Phasing Amendments. Any such additional phase(s) may, from time to time, be added to, and made subject to, this Declaration by the execution, by the Developer alone, of an amendment to this Declaration, which said amendment shall comply with the provisions of the ACT and shall be recorded in the Probate Court records of Baldwin County, Alabama. Such amendment shall have attached to it exhibits similar to those attached to this Declaration, describing the Property so submitted to the Declaration and containing such other information concerning said Property and the improvements constructed, or to be constructed, thereon as is required by law.

E. Time Limitation. The right of the Developer to add additional phases to the Condominium as herein provided shall cease and terminate ten (10) years from the date of the recording of this Declaration in the Office of the Judge of Probate of Baldwin County, Alabama, and only those phases which shall have been submitted to this Declaration prior to said date shall be deemed to have been validly submitted to this Declaration. Except as provided in the preceding sentence, no other time limitation shall be imposed on the right of the Developer to add additional phases.

F. Effect. Once a phase has been submitted to the terms and provision of this Declaration, building thereon which contain residential units shall comprise a portion of the Condominium, to be

governed by and subject to all of the provisions of the Condominium Documents to the extent that said documents are not inconsistent with the provisions of the amendment adding such phase to this Declaration. Each such a phase will have its own owners' association and, other than having easement access to the water and boat dockage of Phase One, will not have the use of the facilities, amenities, and common areas of Phase One.

5.03. Agreement. Each Person or entity who shall acquire any Unit in the Condominium or interest in or lien upon any such Unit shall be deemed, by accepting a conveyance of or otherwise acquiring such Unit interest or lien, to have agreed and consented, within the meaning of this Declaration and of the ACT to be bound by the terms and provisions hereof and to have further agreed and consented that any amendment to this Declaration executed by the Developer alone pursuant hereto shall be binding and effective as written notwithstanding the fact that the undivided interest of the Unit Owners in the Common Elements will be changed thereby.

5.04. Easements. Easements are reserved to the Developer throughout the Common Elements as may be reasonably necessary for the purpose of discharging the Developer's obligations or exercising any Development Rights or Special Declarant Rights. Further, the Developer reserves a general easement for itself and its assigns over the areas shown on the site plan along the northwest 10 feet of the property and the dockage area, for ingress and egress for itself and the owners of property in Phase Two and other assigns of the Developer. Boat Slips retained (not assigned) by the Developer shall be appurtenant to this easement interest.

Each of the following easements are reserved to the Association for the benefit of the Unit Owners, their guests and lessees and is a covenant running with the Real Property:

A. Utilities and Drainage. Easements are reserved throughout the Condominium Property as may be required for Utility Services and drainage in order to adequately serve the Condominium; provided, however, such easements to a Unit shall be only in accordance with the Plans or as the improvements are constructed, unless approved in writing by the Unit Owner. Each Unit shall have an easement as may be required to drain the Condominium Property adequately. Each Unit Owner shall have an easement in common with the Owners of all other Units to use all pipes, wires, ducts, cables, conduits, public utility lines and other Common Elements located in any of the other Units and serving his Unit. Each Unit shall be subject to an easement in favor of the Owners of all other Units to use all pipes, ducts, cables, wires, conduits, public utility lines and other Common Elements serving such other Units and located in such Unit. The Association shall have a right of access to each Unit to inspect the same, to remove violations therefrom, and to maintain, repair or replace the Common Elements contained therein or elsewhere on the Condominium Property; provided such right of access, except in the event of an emergency as deemed by the Association or its designee, shall not unreasonably interfere with the Unit Owners permitted-use of the Unit, and except in the event of emergency, entries shall not be made without prior notice to the Unit Owner.

B. Encroachments. If any portion of the Common Elements encroaches upon any Unit, or if any Unit encroaches upon any other Unit or upon any portion of the Common Elements as a result of the construction of any building, or if any such encroachment shall occur hereafter as a result of settling or shifting of any Building, a valid easement for the encroachment and for the maintenance of the same shall exist so long as such Building stands. In the event any Building, any Unit, any adjoining Unit, or any adjoining Common Element shall be partially or totally destroyed as a result of fire, or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the Common Elements upon any Unit or of any Unit upon any other Unit or upon any portion of the Common Elements due to such rebuilding, shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as such Building or Buildings shall stand.

C. Support. Each Unit shall have an easement of support and of necessity and shall be subject to an easement of support and of necessity in favor of all other Units, and the Common Elements.

D. Access. Each Unit shall have an easement for pedestrian traffic over, through, and across sidewalks, paths, walks, lobbies, elevators, stairways, walkways and lanes, and light passage ways, as the same may from time to time exist in the Common Elements; and for ingress and egress over, through and across such portions of the Common Elements as may from time to time be paved and intended for such purposes, but the same shall not give or create in any Person the right to park on any portion of the Condominium Property not designated as a parking area nor shall it give or create in any Person the right to use or occupy a Limited Common Element designated for the exclusive use of others. This easement shall be non-exclusive and shall include the right of ingress and egress to a public street or highway upon and over Common Elements providing such access and as shown on the Plans.

5.05. Units. (Private Elements). Each Unit is assigned a number, which is indicated on the Plans so that no Unit bears the same designation as any other Unit. The legal description of each Unit shall consist of the identifying number thereof as shown on the Plans, the name of the Condominium, the name of the County in which the Unit is situated, the name of the office in which this Declaration is recorded, and the Instrument Number under which this Declaration is recorded, along with the number of a designated boat slip, if applicable. The description and location of the particular Units and the appurtenances are determined with the aid of the Plans. The Unit boundaries are determined as follows:

A. Horizontal Boundaries. (Planes). The upper and lower boundaries extended to their planer intersections with the vertical boundaries of each Unit shall be:

(1) Upper Boundary. The horizontal plane of the unfinished lower interior surface of the uppermost ceiling.

(2) Lower Boundary. The horizontal plane of the unfinished upper interior surface of the floor.

B. Vertical Boundaries. (Planes). The vertical boundaries of each Unit shall be the vertical planes of the interior surfaces of exterior windows and glass doors bounding a Unit and the unfinished interior surfaces of the walls and entry doors bounding the Unit, excluding paint, wall paper, and light coverings, extended to their planer intersections with each other and with the upper and lower boundaries.

5.06. General Description of Improvements. Phase One consists essentially of one (1) building, together with automobile parking, lawn and landscaping, boat docking, a swimming pool, and other facilities as more particularly set forth in the Plans. The Building contains a ground level and four levels containing residential condominium units.

There are two (2) types of floor plans:

Basic Unit Type "1" is a 3 bedroom, 3 bath Unit, containing a kitchen, great room, and master suite, totaling 1,702 square feet, more or less, with an attached porch or terrace containing a total of 125 square feet, more or less, serving the Unit as a Limited Common Element. There are five (5) Type "1" Units on each of the four (4) levels for a total of twenty (20) Type "1" Units.

Basic Unit Type "2" is a 2 bedroom, 3 bath Unit, containing kitchen, dining and living areas, totaling 1,239 square feet, more or less, with two (2) porches or terraces containing 240 square feet, more or less, serving the Unit as Limited Common Elements. There are two (2) Type "2" Units each on each of the four (4) levels for a total of eight (8) Type "2" Units.

The ground floor contains 30 storage areas, 28 of which are limited common elements appurtenant to the unit to which they are assigned as shown on the plans.

5.07. Unit Ownership. Each Unit Owner shall be entitled to the exclusive ownership and possession of his Unit. Each Unit Owner shall have the unrestricted right of ingress and egress to his Unit, which right shall be an appurtenance to his Unit. The private elements of each Unit shall consist of the following:

- A. The air space of the area of the Building lying within the Unit boundaries.
- B. The surfacing materials on the interior of the exterior walls and on interior walls separating one Unit from another Unit. This is not intended to include the sheetrock on any common-party walls falling between Units. Such sheetrock is a Common Element.
- C. The structural components and surfacing materials of all interior walls located within the boundaries of the Unit.
- D. The structural components and surfacing materials of the floors and ceilings of the Unit.
- E. All bathtubs, toilets and sinks, the range, refrigerator, dishwasher, ice-maker, cabinets, hot water heater, air conditioning and heating units, lighting fixtures and all hardware and interior and exterior wall fixtures except those exterior lighting fixtures assigned to the common use of the Condominium, and the power meter and its appurtenances.
- F. All interior trim and finishing materials.

5.08. Surfaces. A Unit Owner shall not be deemed to own the structural components of the perimeter and/or load-bearing walls, nor the windows and doors bounding the Units. A Unit Owner, however, shall be deemed to own and shall have the exclusive right and duty to repair and maintain, paint, repaint, tile, wax, paper, or otherwise finish and decorate the surfacing materials on the interior of exterior walls and on interior walls separating a Unit from other Units, and the surfacing materials of the floors of his Unit; all window screens; and all appurtenant installations, including all pipes, ducts, wires, cables, and conduits used in connection therewith, for services such as power, light, telephone, cable, internet, sewer, water, heat and air conditioning, whether located in the boundaries of the Unit or in Common Areas, which are for the exclusive use of the Unit; and all ceilings and partition walls. A Unit Owner shall have the exclusive right and duty to wash and keep clean the interior surfaces of windows and doors bounding his Unit.

5.09. Changes. The Developer reserves the right to change the interior design and arrangement of any or all Units owned by it. The Developer further reserves the right to alter the boundaries between Units, which said change shall be reflected by an amendment of this Declaration, which may be executed by the Developer alone, notwithstanding the procedures for amendment described herein. However, no such change of boundaries shall increase the number of Units, nor alter the boundaries of the Common Elements without amendment of this Declaration in the manner described herein. If the boundaries of more than one (1) Unit are altered, the Developer shall appropriately reapportion the shares of the Common Elements which are allocated to the altered Units. Provided, however, the Special Declarant Right granted by this section must be exercised on or before ten (10) years from the date of the recording of this Declaration in the Office of the Judge of Probate of Baldwin County, Alabama. No assurance is made concerning whether or not any Unit will be or will not be changed by the Developer nor is any assurance made concerning the nature, character, or quality of said change. The exercise by the Developer of the Special Development Right to change a Unit does not obligate the Developer to exercise said right in any other Unit in the Condominium.

5.10. Common Elements. Any right, title or interest in a Unit shall automatically carry with it as an appurtenance and without the necessity of specific reference thereto its respective undivided share of the Common Elements and a right to use the Common Elements in conjunction with the other Unit Owners. The Common Elements of the Condominium are all portions of the Condominium other than the Units and will

include the Common Areas and facilities located substantially as shown on the Plans. Such Common Areas and facilities will include the following:

- A. All of the land described in the legal description.
- B. All improvements and parts of the Real Property which are not a Unit or Private Element.
- C. All parking areas, driveways and other means of ingress and egress.
- D. The mechanical systems and installations providing service to a Building, or to any Unit, such as electrical power, gas, light, hot and cold water, heating and air conditioning, fireplace, sanitary and storm sewer facilities, and including all lines, pipes, ducts, flues, chutes, conduits, cables, wires, and all other apparatus and installations in connection therewith, whether located in the Common Elements or in the Units, except when situated entirely within a Unit for service only of that Unit.
- E. All tangible personal property required for the maintenance and operation of the Condominium and for the common use and enjoyment of the Unit Owners.
- F. Recreation areas and facilities.
- G. All foundations, slabs, columns, beams and supports of the Building and such component parts of exterior walls and walls separating Units, roofs, floors and ceilings as are not described herein as Private Elements.
- H. Lawn areas, landscaping, walkways, sidewalks, curbs and steps.
- I. Exterior steps, elevators, ramps, handrails, stairs and stairwells.
- J. All tanks, pumps, pump houses, wells, motors, fans, compressors and control equipment, fire lighting equipment, elevator equipment, and garbage equipment which are not reserved for the use of certain Owners.
- K. All area outdoor and exterior lights not metered to individual Units and supports and all entrance and related type signs.
- L. The patios, balconies, terraces, porches, storage areas, and doorsteps or stoops affixed to each Unit, even though designated as Limited Common Element, as are Boat Slips which are assigned to individual units.
- M. All other parts of the Condominium Property existing for the common use or necessity of the existence, maintenance and safety of the Condominium.
- N. All other items listed as such in the ACT.

5.11. Limited Common Elements. The Limited Common Elements located on the Property and the Unit to which they are assigned are as follows:

The terraces or porches abutting each Condominium Residential Unit, are Limited Common Elements appurtenant to those Units to which they attach or are assigned and whose use is restricted to Units to which they are appurtenant, as are the assigned storage areas on the ground floor. There are 28 covered parking spaces and these may be assigned by the Developer as limited common element appurtenant to the Unit to which they are assigned. The spaces may be exchanged or transferred among Unit Owners in Phase One or to the

Association, but each space must be appurtenant to a Unit or held by the Association. Doorsteps or stoops, if any, providing access to a patio, balcony, terrace, or porch are assigned as a Limited Common Element to the Unit to which the patio, balcony, terrace, or porch serves. The boundary lines of each patio, balcony, terrace, or porch and storage area attached to a Unit are the interior vertical surfaces thereof and the exterior unpainted finished surface of the perimeter baluster or railing abutting the patio, balcony, terrace, or porch and shall include the interior of the storage area, if any. Individual boat slips may be assigned by the Developer, by deed or otherwise, to individual units for the exclusive use of unit owners. Unit owners may exchange or assign the use of these slips to other unit owners in Phase One or Two, but not otherwise, in accord with the provisions of Section 35-8A-208 of the ACT. An instrument executed by both the grantor and grantee in the manner of a deed, recorded in the records of the Judge of Probate and of which a recorded copy is provided the Association shall be deemed sufficient to transfer these limited common elements. Each boat slip not retained by the developer shall be appurtenant to a unit in Phase One or, if developed, Phase Two, or shall be assigned to the Association. The initial assignment by the Developer of boat slips and covered parking areas is set out in Exhibit "D" attached hereto.

5.12. Developer's Limited Warranty By recording this Declaration, the Developer herewith provides a limited warranty covering latent defects of the common areas or common elements for one (1) year from the date of recordation. A latent defect is hereby defined as a defect not apparent at the time of occupancy or closing, but which becomes apparent within one (1) year, and such defect has been directly caused by the failure of construction of the building in accordance with the standards of construction prevailing in the geographical area of the Unit. Developer shall not be liable under this limited warranty unless written notice of the latent defect shall be given by the Association to Developer before the expiration of said one (1) year warranty period. Steps taken by Developer to correct any such defect shall not act to extend the warranty period as to other matters. Developer shall not be responsible or provide coverage for any of the following:

- (a) defects in appliances and pieces of equipment which are covered by manufacturer's warranties;
- (b) incidental, consequential or secondary damages caused by a breach of this warranty;
- (c) defects which are the result of characteristics common to the materials used, such as, but not limited to: warping and deflection of wood; mildew and fading; chalking and checking of paint due to sunlight; cracks due to drying and curing of concrete, stucco, plaster, bricks and masonry; drying, shrinking and cracking of caulking and weatherstripping;
- (d) conditions resulting from condensation on, or expansion or contraction of materials;
- (e) damages due to ordinary wear and tear, abusive use or lack of proper maintenance; and
- (f) chips, scratches or mars in tile, woodwork, walls, porcelain, brick, plumbing fixtures, formica and glass.

**THE LIMITED WARRANTY IS GIVEN IN LIEU OF ANY AND ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY OR WORKMANSHIP, EACH OF WHICH ARE SEPARATELY HEREBY DISCLAIMED BY DEVELOPER.**

## COMMON ELEMENTS

6.01. Ownership. A schedule setting forth the percentage of undivided interest of each Unit in the Common Elements is attached hereto, marked Exhibit "E" and by reference made a part hereof. The percentage of undivided interest of each Unit in the Common Elements is determined by dividing the total number of square feet of interior area of each Unit by the total number of square feet of interior area of all Units. For purposes of percentage of ownership in the Common Elements, percentage of Common Expenses, and percentage of Common Surplus, and voting on all matters requiring action by the Owners, the percentages as set out on Exhibit "E" shall govern. The ownership interest in the Common Elements shall be an undivided interest, and except as provided in the ACT and this Declaration shall remain undivided. No Unit Owner shall bring any action for partition or division of the Common Elements. The ownership interest in the Common Elements shall not be conveyed, transferred, encumbered or otherwise affected separate from the ownership of the Unit, and any agreement to the contrary shall be void.

6.02. Use. Each Unit Owner shall have the right to use the Common Elements (except any portions thereof designated as a Limited Common Element and restricted to the exclusive use of and as an appurtenance to a Unit and subject to any portion subject to leases made by or assigned to the Board and the exclusive and semi-exclusive parking spaces and areas) in conjunction with the Owners of other Units as may be required for the purposes of access, ingress to, egress from, use, occupancy, and enjoyment of the Condominium Property. The right to use the Common Elements shall be subject to and governed by the provisions of the ACT, Condominium Documents, and the Rules and Regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions, or grant easements with respect to parts of the Common Elements subject to the provisions of the Declaration and By-Laws.

6.03. Share of Common Expenses and Limited Common Expenses. Each Unit Owner shall be assessed and is individually liable for a proportionate share of the Common Expenses and the proportionate share of the Common Expenses shall be the same ratio as the Unit Owner's percentage ownership in the Common Elements as the case may be, except as provided in Section 8.02 (a) below, allowing for separate assessments for Unit Owners which have been assigned the exclusive use of boat slips. Payment of Common Expenses and Limited Common Expenses shall be in such amounts and at such times as determined in the By-Laws. Assessments shall be collected by the Association on a monthly basis or as the Unit Owners may agree. No Unit Owner shall be exempt from payment of his proportionate share of the Common Expenses or Limited Common Expenses by waiver or nonuse or nonenjoyment of the Common Elements or Limited Common Elements, or by abandonment of his Unit. Common Expenses and Limited Common Expenses shall include but shall not necessarily be limited to expenditures made or liabilities incurred by the Association, together with payments or obligations to reserve accounts.

6.04. Late Payment of Assessments. Assessments for Common Expenses and Limited Common Expenses, and installments thereon, paid on or before fifteen (15) days after the date when due shall bear no interest, but all sums not paid on or before fifteen (15) days after the date when due shall bear such late charges, penalties, interest and other costs and expenses, at a rate set by the Board, but not to exceed to maximum legal rate, together with all expenses, including Attorney's fees incurred by the Association in any undertaking to collect such unpaid Assessments and expenses. All payment upon account shall be first applied to such late charges, penalties, interests and other costs and expenses, including Attorney's fees, and then to the Assessment payment due. The Association may, in the manner provided for in the By-Laws, after notice and an opportunity to be heard, levy reasonable fines for violations of the Declaration, By-Laws and Rules and Regulations of the Association.

6.05. Liens for Assessments. The Association is hereby granted a lien upon each Unit and its appurtenant undivided interest in Common Elements and upon the goods, furniture and effects belonging to the Unit Owner and located in such Unit, which lien shall secure, and does secure, the moneys due for all Assessments now or hereafter levied or subject to being levied against the Unit Owner which lien shall also

secure such late charges, penalties and interest, if any, which may be due on the amount of any delinquent Assessment owing to the Association, and which lien shall also secure all costs and expenses, including reasonable attorney's fees, which may be incurred by the Association in enforcing this lien upon said Unit and its appurtenant undivided interest in the Common Elements.

6.06. Priority of Lien. The Association shall have a lien for nonpayment of Common Expenses and Limited Common Expenses as is provided by the ACT. In any suit for the foreclosure of a lien for Assessments, the Association shall be entitled to rental from the Unit Owner from the date on which the payment of any Assessment or installment thereof becomes delinquent and shall be entitled to the appointment of a receiver for said Unit, without notice to the Unit Owner. The rental required to be paid shall be equal to the rental charged on comparable type of dwelling Units in the area in which the Condominium is located. The lien granted to the Association shall further secure such advances for taxes and other payments which may be required to be advanced or paid by the Association in order to preserve and protect its lien, and the Association shall further be entitled to interest at a rate set by the Board of the Association but in no case shall said interest exceed the maximum legal rate on any such advances made for such purposes. All Persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Unit, or who may be given or acquire a mortgage, lien or other encumbrance thereon, are hereby placed on notice of the lien granted to the Association. A lien for Common Expenses or Limited Common Expenses shall not be affected by any sale or transfer of a Unit, except as herein provided. A sale or transfer pursuant to a foreclosure of a first mortgage or first vendor's lien shall extinguish a subordinate lien for Assessments which became payable prior to such sale or transfer; Provided, however, a sale or transfer pursuant to a foreclosure of a first mortgage or first vendor's lien shall not extinguish the lien of the Association to the extent of the Common Expense Assessments and Limited Common Expense Assessments based on the periodic budget adopted by the Association pursuant to the ACT which would have become due in the absence of acceleration during the six (6) months immediately preceding the institution of an action to enforce the lien. However, any such delinquent Assessments, which were extinguished pursuant to the foregoing provision, may be reallocated and assessed to all of the Units as a Common Expense. Any such sale or transfer pursuant to foreclosure does not relieve the purchaser or transferee of a Unit from liability for, nor the Unit from the lien of, any Assessments made thereafter.

6.07. Disposition of Surplus. Each Unit shall carry with it a proportionate share of Common Surplus or Limited Common Surplus, as the case may be, and the proportionate share of Common Surplus or Limited Common Surplus shall be the same ratio as that Unit Owner's percentage ownership of the Common Elements or Limited Common Elements; or in the alternative, such surplus, or any portion thereof, may be added to a reserve fund for maintenance, repair and replacement of the Common Elements or the Limited Common Elements, as the case may be, at the sole discretion of the Association.

#### THE ASSOCIATION

7.01. Powers and Duties. The operation and administration of the Condominium shall be by the Association of the Unit Owners, pursuant to the provisions of the ACT. The Association shall be a not for profit Alabama corporation incorporated by Articles of Incorporation recorded in the Office of the Judge of Probate of Baldwin County, Alabama. The Association shall be an entity which shall have the capability of bringing suit and being sued with respect to the exercise or nonexercise of its powers. The Association shall have exclusive authority and power to maintain a class action and to settle a cause of action on behalf of Unit Owners of the Condominium with reference to the Common Elements or the Limited Common Elements, the roof and structural components of a Building or other improvement, and mechanical, electrical and plumbing elements serving an improvement or a Building as distinguished from mechanical elements serving only a Unit; and with reference to any and all other matters in which all the Unit Owners have a common interest. The Association shall have all the powers and duties set forth in the ACT, as well as all the powers and duties granted to or imposed on it under the By-Laws and other Condominium Documents as they may be amended from time to time. The Association is specifically authorized to enter into agreements by which its powers and duties, or some of them, may be exercised or performed by some other Person or Persons. The Association shall have a reasonable right of entry upon any Unit to make emergency repairs and to do other work reasonably necessary for the proper maintenance

and operation of the Development, and further, shall have the right to grant permits, licenses and easements over the common areas for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the Development. The Board shall have the authority and duty to levy and enforce the collection of general and specific Assessments for Common Expenses and Limited Common Expenses and is further authorized to provide adequate remedies for failure to pay such Assessments.

7.02. Name. The name of the Association shall be BayJohn Owners Association, Inc.

7.03. Members. Each Unit Owner shall be a Member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall immediately terminate when he ceases to be a Unit Owner. The membership of a Unit Owner cannot be assigned or transferred in any manner except as an appurtenance to his Unit.

7.04. Voting Rights. Each Unit shall be entitled to one (1) vote, which vote is not divisible, the numerical value of which shall be the percentage of undivided interest in the Common Elements assigned to the Unit of which the Member is the Owner. The vote for a Unit shall be cast by the Owner thereof in the manner provided for herein and in the By-Laws. However, should the Association be a Unit Owner, it shall not have the voting right for that Unit.

7.05. Designation of Voting Representative. In the event a Unit is owned by one (1) Person, his right to vote shall be established by the record title to his Unit. If a Unit is owned by more than one (1) Person, the Person entitled to cast the vote for the Unit shall be designated by a certificate signed by all of the record Owners of the Unit and filed with the Secretary of the Association. If a Unit is owned by a corporation, limited liability company, partnership or limited partnership, the officer, member, partner, employee or individual entitled to cast the vote for the Unit shall be designated by a certificate of appointment signed by the president or vice president and attested by the secretary or assistant secretary of the corporation (in the case of a corporation), managing member (in the case of a limited liability company), or by the general partner or partners if more than one (in the case of a partnership or limited partnership), which certificate shall be filed with the Secretary of the Association. If such a certificate is not on file with the Secretary of the Association for a Unit owned by more than (1) Person or by a corporation, limited liability company, partnership or limited partnership, the membership or vote of the Unit concerned may be cast in accordance with the ACT. Such certificate shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned is effected. A certificate designating the Person entitled to cast the vote of a Unit may be revoked by any Owner thereof.

7.06. Restraint Upon Assignment of Shares in Assets. The share of a Member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

7.07. Board of Directors. The affairs of the Association shall be conducted by a Board of Directors which shall consist of such number not less than three (3) nor more than five (5) as shall, from time to time, be determined and fixed by a vote of a majority of the voting rights present at any annual meeting of the Members.

7.08. Indemnification. Every Director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, or any settlement thereof, including counsel fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been a Director or officer of the Association, whether or not he is a Director or officer at the time such expenses are incurred, except in such cases wherein the Director or officer is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties; provided that in the event of a settlement, the indemnification herein shall apply only when the Board of Directors approves such settlement and reimbursement as being in the best interest of the Association. The foregoing rights of indemnification shall be in addition to, and not exclusive of, all other rights to which such Director or officer may be entitled.

7.09. Limitation of Liability. Notwithstanding the liability of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable for injury or damage caused by a latent condition of the Property to be maintained and repaired by the Association, nor for injury or damage caused by the elements, or other Owners or Persons.

7.10. By-Laws. The Association and its Members shall be governed by the By-Laws.

7.11. Proviso. Subject to the provisions herein, until the earliest of: (I) sixty (60) days after conveyance of seventy-five percent (75%) of the Units which may be created to Unit Owners other than the Developer; (ii) two (2) years after the Developer, its successors or assigns, have ceased to offer Units for sale in the ordinary course of business; or (iii) two (2) years after any Development Right to add new Units was last exercised, the By-Laws and rules adopted by the Developer shall govern and the Developer shall have the exclusive right to appoint, remove and designate the officers and members of the Board of Directors, and neither the Unit Owners nor the Association nor the use of the Condominium Property by Unit Occupants shall interfere with the completion of the contemplated improvements and the sale of the Units. The Developer may voluntarily surrender the right to appoint and remove officers and members of the Board; but, in that event, the Developer may require, for the duration of the period of Developer control, that specified actions of the Association or Board, as described in a recorded instrument executed by the Developer, be approved by the Developer before they become effective. Provided, however, not later than ninety (90) days after conveyance of twenty-five percent (25%) of the Units which may be created to Unit Owners other than the Developer, at least one (1) member and not less than twenty-five percent (25%) of the members of the Board must be elected by Unit Owners other than the Developer. Not later than ninety (90) days after conveyance of fifty percent (50%) of the Units which may be created to Unit Owners other than the Developer, not less than thirty-three and one-third percent (33 $\frac{1}{3}$ %) of the members of the Board must be elected by Unit Owners other than the Developer. Except as provided for in the ACT, not later than the termination of any period of Developer control, the Unit Owners shall elect a Board of at least three (3) members, at least a majority of whom must be Unit Owners other than the Developer.

The Developer may make such use of the unsold Units and of the common areas and facilities as may facilitate such completion and sale, including but not limited to showing of the Property and the display of signs. The Developer may maintain sales offices, management offices, leasing and operations offices, and models in any Unit of the Condominium or on Common Elements in the Condominium without restriction as to the number, size or location of said sales offices, management offices, leasing and operations offices and models. The Developer shall be permitted to relocate said sales offices, management offices, leasing and operations offices, and models from one Unit location to another or from one area of the Common Elements to another area of the Common Elements in the Condominium. The Developer may maintain signs on the Common Elements advertising the Condominium. The rights of the Developer as provided for in this paragraph shall cease and terminate ten (10) years from the date of the recording of this Declaration in the Office of the Judge of Probate of Baldwin County, Alabama.

7.12. Contracts. If entered into before the Board elected by the Unit Owners pursuant to the ACT takes office, any management contract, employment contract, or lease of recreational or parking areas or facilities and any other contract or lease between the Association and the Developer may be terminated without penalty and upon not less than ninety (90) days notice to the other party by the Association at any time after the Board elected by the Unit Owners pursuant to the ACT takes office.

7.13. Availability of Records. The Association shall keep financial records sufficiently detailed to enable the Association to comply with the ACT. The Association shall make reasonably available in the county where the Condominium is located for examination by Unit Owners, prospective purchasers, first mortgagees and insurers of first mortgagees of any Unit, or their authorized agents, current copies of the Declaration, By-Laws, Rules and Regulations and other books, records, financial statements and the most recent annual financial statement of the Association. Reasonably available shall mean available for inspection upon request, during normal business hours or under reasonable circumstances.

7.14. Reserves for Replacements. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and Limited Common Elements. The fund shall be maintained out of regular Assessments for Common Expenses and Limited Common Expenses.

## MAINTENANCE

The responsibility for the maintenance of the condominium property shall be as follows:

### 8.01. Units:

A. By the Association. The responsibility of the Association shall be as follows:

i) To maintain, repair and replace all portions of a unit, except interior surfaces and surfacing materials, whether or not contributing to the support of the building, which portions shall include but not be limited to the outside walls of the building and all fixtures thereon, and boundary walls of units, floors, load-bearing columns and load-bearing walls.

ii) To maintain, repair and replace all conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services which are contained in the portions of a unit maintained by the Association, and all such facilities contained within a unit which service part or parts of the condominium other than the unit within which contained.

iii) To maintain and replace all balconies and balcony railings.

iv) To repair all incidental damaged caused to a unit in the performance of any of the foregoing work.

B. By the Unit Owner. The responsibility of the unit owner shall be as follows:

i) To maintain, repair and replace all portions of his unit except the portions to be maintained, repaired and replaced by the Association.

ii) Not to paint or otherwise decorate or change the appearance of any portion of the exterior of the building and/or the exterior of the balconies assigned to the exclusive use of the unit owner, and/or the exterior of the balcony area assigned to the exclusive use of the unit owner.

iii) To maintain the surfacing materials within the unit

iv) To maintain, repair and replace the heating, air conditioning, utility and mechanical equipment, and all sewer and water lines including all pipes, ducts, wires, cables and conduits used in connection therewith, which are for the exclusive use of his unit, whether or not located within the boundaries of his unit.

v) To maintain, repair and replace the interior appurtenances of his unit, including but not limited to the floor coverings, wall coverings, window shades and screens, draperies, furniture, furnishing light fixtures, and all appliances located therein.

vi) To promptly report in writing to the Association any defect or need for repairs, the responsibility for the remedying of which is that of the Association.

vii) To be responsible for the cost of all incidental damage caused to the common elements in the performance of the foregoing work.

C. Alteration and Improvement. Neither a unit owner nor the Association shall make any alterations in the portions of a unit or building which are to be maintained by the Association, or to remove any portion thereof, or make any additions thereto, or do any work which would jeopardize the safety or soundness of the building, or impair any easement, without first obtaining approval in writing of the owners of all other units in the building concerned and the approval of the Board of Directors of the Association.

8.02. Common and Limited Elements.

a) By the Association. The maintenance and operation of the common elements, including the limited common elements, shall be the responsibility and the expense of the Association. The Association may separately assess those unit owners who have a boat slip or slips as an appurtenance to a Unit for expenses associated with such utilities, repairs, and maintenance.

b) Additions, Alterations and Improvements. After the completion of the improvements included in the common elements which are contemplated by this Declaration, there shall be no further additions to common elements (except by incremental development as elsewhere herein provided) without the prior approval in writing of seventy-five percent (75%) of votes of the Unit Owners, and the approval in writing of the mortgagees who are the holders of mortgages comprising first liens on the units so approving, provided, however, that any alteration or improvements of common elements which constitute or are contained in the boundaries of units bearing the approval in writing of unit owners entitled to cast fifty-one percent (51%) of the votes in the Association, and the approval in writing of all mortgagees who are the holders of mortgages comprising first liens on the units of such approving unit owners and which does not prejudice the rights of any owners not consenting, may be done if the owners who do not approve are relieved from the initial cost thereof. There shall be no change in the share and rights and obligations of a unit owner in the common elements which are altered or further improved, whether or not the unit owner contributes to the initial costs thereof. Any such alteration or addition shall be done in accordance with complete plans and specifications therefor first approved in writing by the Board; and promptly upon completion of such additional building or structural alteration or addition to any structure, the Association shall duly record or file of record in the Office of the Judge of Probate of Baldwin County, Alabama, such amendment, together with a complete set of plans of the condominium, as so altered, certified "as built" by a licensed or registered engineer or architect.

## INSURANCE

9.01. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Unit to a person other than the Developer, the Association shall maintain insurance upon the Condominium Property to the extent reasonably available as provided for in the ACT and as follows.

9.02. Location of Policies. The Association shall retain the original of all insurance policies in a place of safe keeping such as a safe or a safety deposit box.

9.03. Copies to Mortgagees. One (1) copy of each insurance policy, and of all endorsements thereto, shall be furnished by the Association to any first Mortgagee requesting a copy.

9.04. Authorization to do Business. All policies of insurance must be issued by companies specifically authorized by the laws of the State of Alabama to transact such business.

9.05. Coverage. The Association is required to maintain the following insurance coverage:

A. Property and Casualty. The Association must obtain, maintain, and pay the premiums upon, as a Common Expense, the property insurance required by the ACT for condominium structures with horizontal boundaries and, by way of addition, as follows. The type of policy shall be a "master" or "blanket" type policy of property insurance covering all of the Common Elements (except land, foundation, excavation,

and other items usually excluded from coverage) including fixtures, building service equipment and supplies, and other personal property belonging to the Association. All references herein to a "master" or "blanket" type of policy of property insurance are intended to denote single entity Condominium insurance coverage. In addition, the insurance obtained under this section shall include coverage of the Units themselves. Fixtures or equipment located within a Unit (regardless of whether or not such Property is a part of the Common Elements) must be covered by such "master" or "blanket" policy, but the coverage need not include improvements and betterments installed by Unit Owners. If reasonably available, the insurance policy shall include an "All In" endorsement which shall include coverage of appliances (including stoves, cooking ranges, refrigerators, dishwashers, ice-makers, clothes-washers and dryers, to the extent such appliances comprised a part of the Unit on the date of this Declaration or were replacement items for such original appliances), air conditioners, and all fixtures contained within the Units. The policy shall be in an amount deemed appropriate by the Association but not less than the greater of eighty percent (80%) of the actual cash value of the insured Property at the time the insurance is purchased or such greater percentage of such actual cash value as may be necessary to prevent the applicability of any coinsurance provision at any renewal date, exclusive of land, excavation, foundation, and other items normally excluded from property policies. The policy shall include an "Agreed Amount Endorsement" or its equivalent and, if available, an "Inflation Guard Endorsement." If there shall be a construction code provision that requires changes to undamaged portions of the Condominium Property even when only part of the project is destroyed by an insured hazard, the policies shall include construction code endorsements. The property insurance policy shall provide, as a minimum coverage and protection against:

(1) Loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement;

(2) All other perils which are customarily covered with respect to condominiums similar in construction shall be obtained so as to meet the requirements of the ACT.

B. Liability Insurance. The Association must obtain, maintain, and pay the premiums upon, as a Common Expense, a comprehensive general liability insurance policy, including medical payments insurance, as required by the ACT and covering all the Common Elements and public ways of the Condominium. Coverage limits shall be in amounts generally required by private institutional mortgage investors for projects similar in construction, location and use. However, such coverage shall be, if reasonably available, for at least one million dollars (\$1,000,000.00) for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, if reasonably available, without limitation, legal liability of the insured for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of law suits related to employment contracts of the Association. The policy shall also include, if reasonably available, coverage for protection against water damage liability and, if applicable, elevator collision and garage keepers liability. If required by any first mortgage holder and, if reasonably available, the policy shall include protection against such other risks as are customarily covered with respect to Condominiums similar in construction, location and use, including but not limited to, host liquor liability, employers liability insurance, contractual and all written contract insurance and comprehensive automobile liability insurance.

C. Flood Insurance. If any part of the Condominium Property shall be deemed to be in a special flood hazard area, as defined by the Federal Emergency Management Agency or other governmental agency, the Association shall, if reasonably available, obtain, maintain and pay the premiums upon, as a Common Expense, a "master" or "blanket" type of flood insurance policy. The policy shall cover the Common Elements falling within the designated flood hazard area. The insurance shall be in an amount deemed appropriate by the Association, but not less than an amount equal to the lesser of:

(1) Eighty percent (80%) of the actual cash value of the insured property located within the flood hazard area; or

(2) The maximum coverage available for the Property under the National Flood Insurance Program. The policy shall be in a form which meets the criterion set forth in the most current guidelines issued on the subject by the Federal Government.

D. Personnel Coverages. Should the Association employ personnel, all coverages required by law, including workman's compensation, shall be obtained so as to meet the requirements of the law.

E. Fidelity Bonds. The Association, if reasonably available, shall obtain, maintain and pay the premiums upon, as a Common Expense, a fidelity bond to protect against loss of money by dishonest acts on the parts of all officers, directors and employees of the Association and all other persons handling, or responsible for, funds of the Association or funds administered by the Association. Where a management agent has the responsibility for handling or administering funds of the Association, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. The fidelity bond shall name the Association as the obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than one hundred and fifty percent (150%) of the estimated annual Common Expenses. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions. The premiums on all bonds required herein to be maintained by the management agent shall be paid by the management agent. The bond shall provide that any first Mortgagee shall receive notice of cancellation or modification of the bond.

F. Other Insurance. The Association shall obtain other insurance required by the ACT and shall have authority to obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable. The premiums for such insurance shall be a Common Expense.

If the insurance described above which is required to be maintained is not reasonably available, the Association promptly shall give notice of that fact to be hand delivered or sent prepaid by United States Mail to all Unit Owners.

9.06. Individual Insurance. Nothing contained herein shall be construed to prevent a Unit Owner from obtaining insurance for his own benefit.

9.07. Provisions. Insurance coverage, if reasonably available, must comply with the requirements of the ACT and this Declaration and shall in substance and effect:

A. Provide that the policy shall be primary, even if the Unit Owner has other insurance that covers that same loss, and further provide that the liability of the insurer thereunder shall not be affected by, and that the insurer shall not claim any right of set-off, counterclaim, apportionment, pro-ratio or contribution by reason of any other insurance obtained by or for any Unit Owner.

B. Contain no provision relieving the insurer from liability for a loss occurring because the hazard to such Building is increased, whether or not within the knowledge or control of the Association, or because of any breach of warranty or condition, or any other act or neglect by the Association or any Unit Owner or any other Persons under either of them.

C. Provide that such policy may not be canceled or substantially modified and the insurer may not refuse to renew said policy (whether or not requested by the Association) except by the insurer giving at least thirty (30) days prior written notice thereof to the Association, the Unit Owner, each holder of a first mortgage on an individual Unit, and every other Person in interest who shall have requested such notice of the insurer.

D. Contain a waiver by the insurer of any right of subrogation to any right of the Association, or either against the Owner or lessee of any Unit.

E. Contain a standard Mortgagee clause which shall:

(1) Provide that any reference to a Mortgagee in such policy shall mean and include all holders of mortgages of any Unit, whether or not named herein; and

(2) Provide that such insurance as to the interest of any Mortgagee shall not be invalidated by any act or neglect of the Association or Unit Owners or any Persons under any of them; and

(3) Waive any provisions invalidating such Mortgagee clause by reason of the failure of the Mortgagee to notify the insurer of any hazardous use or conveyance, any requirement that the Mortgagee pay any premium thereon, and any contribution clause.

9.08. Responsibilities of Unit Owner. Each Unit Owner shall be responsible for obtaining insurance for his own benefit.

9.09. Insurance Premiums. Insurance premiums maintained by the Association shall be paid by the Association as a Common Expense. Should the Association fail to pay such insurance premiums when due, or should the Association fail to comply with other insurance requirements of a Mortgagee, the Mortgagee shall have the right, at its option, to order insurance policies and to advance such sums as are required to maintain or procure such insurance. To the extent of any money so advanced, the Mortgagee shall be subrogated to the Assessment and the lien rights of the Association as against the individual Unit Owners for the payment of such item of Common Expense.

9.10. Insurance Trustee; Share of Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their Mortgagees as their interest may appear, and shall provide that all proceeds covering Property losses shall be paid to the Association, as Insurance Trustee for each of the Unit Owners in the percentages as established by the Declaration, which said Association, for the purpose of these provisions, is herein referred to as the Insurance Trustee. The duty of the Insurance Trustee shall be to receive such proceeds as are paid, and hold the same in trust for the purpose elsewhere stated herein and for the benefit of the Unit Owners and their Mortgagees. The Insurance Trustee shall have the power to adjust all claims arising under insurance policies purchased by the Association; to bring suit thereon in its name and/or in the name of other insured; to deliver releases on payment of claims; to compromise and settle such claims; and, otherwise, to exercise all the rights, powers, and privileges of the Association and each Unit Owner and any other holder of an insured interest in the Condominium Property under such insurance policies, however, the actions of the Insurance Trustee shall be subject to the approval of any first Mortgagee if the claim shall involve more than one Unit, and only if one Unit is involved, such actions shall be subject to approval of any first Mortgagee holding a mortgage and encumbering such Unit.

9.11. Shares of Proceeds. The Association, as Insurance Trustee, shall receive such insurance proceeds as are paid to it and shall hold the same in trust for the purposes stated herein and for the benefit of the Unit Owners and their Mortgagees in the following shares:

A. Common Elements. An undivided share of the proceeds on account of damage to Common Elements, shall be held for each Unit Owner, with such share's portion of the total proceeds being the same percentage as the share of the Common Elements appurtenant to his Unit.

B. Units and Limited Common Elements. Except as provided elsewhere in this

Declaration:

(1) When the Condominium Property is to be restored, the proceeds shall be held for the Unit Owners of damaged Units and damaged Limited Common Elements, with the share of each in the total proceeds being in the proportion that the cost of repairing the damage suffered by such Unit Owner bears to the total cost of repair, which cost shall be determined by the Board.

(2) When the Condominium Property is not to be restored, the proceeds shall be held for the Unit Owners in the undivided shares that are the same as their respective shares in the Common Elements.

C. Mortgages. In the event a Mortgagee endorsement has been issued with respect to a Unit, the share of the Owner of that Unit shall be held in trust for the Mortgagee and the Unit Owner as their interest may appear; provided, however, that no Mortgagee shall have any right to determine, or participate in the determination of, whether or not any damaged Property shall be reconstructed or repaired except as may be specifically provided to the contrary elsewhere in this Declaration.

9.12. Distribution of Proceeds. Proceeds of insurance policies received by the Association as Insurance Trustee shall be distributed to or for the benefit of the beneficial Owners:

A. Reconstruction or Repair. First, if the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Owners, with remittances to Unit Owners and Mortgagees being payable jointly to them. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by and such Mortgagee.

B. Failure to Reconstruct or Repair. If it is determined that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial Owners with remittances to Unit Owners and their Mortgagee being payable jointly to them. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by any such Mortgagee.

#### RECONSTRUCTION OR REPAIR AFTER CASUALTY

10.01. Determination to Reconstruct or Repair. Any portion of the Condominium for which insurance is required under this Declaration for which it is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- A. The Condominium is terminated in accordance with the ACT;
- B. Repair or replacement would be illegal under any state or local statute or ordinance covering health or safety; or
- C. Eighty percent (80%) of the Unit Owners, including every owner of a Unit or assigned Limited Common Element which will not be rebuilt; vote not to rebuild. The cost of repair or replacement of a Common Element in excess of insurance proceeds in reserves is a Common Expense as provided in this Declaration.

10.02. Plans. Any reconstruction or repair must be substantially in accordance with the ACT and in accordance with the Plans for the original improvements or as the Condominium Property was last constructed; or if not, then according to Plans approved by the Board of Directors of the Association and by one hundred percent (100%) of the Unit Owners.

10.03. Responsibility. If the damage is only to those parts of a Unit or Limited Common Elements for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be

responsible for prompt reconstruction and repair after casualty. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association.

10.04. Estimate of Cost. Immediately after a casualty causing damage to the Condominium Property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

10.05. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair of the Unit and Limited Common Elements by the Association, Assessments shall be made against the Unit Owners who own the damaged Property or have the exclusive right to use the Limited Common Elements attached to his Unit, and against all Unit Owners in the case of damage to common areas and facilities in sufficient amounts to provide funds to pay the estimated costs. If any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs thereof are insufficient, Assessments shall be made against the Unit Owners who own the damaged Unit and have exclusive right to use the Limited Common Elements attached to his Unit, and against all Unit Owners in the case of damage to common areas and facilities in sufficient amounts to provide funds for the payment of such costs. Such Assessments against Unit Owners for reconstruction and/or repair of damage to Units and Limited Common Elements shall be in proportion to the cost of reconstruction and repair of their respective Units or Limited Common Elements. Such Assessments for reconstruction and/or repair of damage to common areas and facilities shall be in proportion to the Owner's share in the Common Elements. Assessments for reconstruction and repair may be collected, and the collection enforced, in the same manner as provided for Assessments elsewhere herein.

10.06. Construction Funds. The funds for payment of costs of reconstruction and repair after casualty for which the Association is responsible, which shall consist of proceeds of insurance held by the Association as Insurance Trustee and funds collected by the Association from Assessment against Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair in the following manner and order:

A. Disbursement. The construction fund shall be disbursed in payment of such costs of the order and in the manner provided by the Board of the Association.

B. Unit Owner. If there is a balance of insurance proceeds after the payment of the cost of reconstruction and repair that are the responsibility of the Association, this balance shall be distributed to Unit Owners of damaged Units or damaged Limited Common Elements who are responsible for the reconstruction and repair of the damaged portions of their Units or Limited Common Elements. The distribution to each Unit Owner shall be made in the proportion that the estimated costs of reconstruction and repair of such damage to his Unit or Limited Common Element bears to the total of such estimated costs in all damaged Units and Limited Common Elements. However, no Unit Owner shall be paid an amount in excess of such estimated cost for his Unit or Limited Common Element. If there is a first Mortgagee, the distribution shall be paid to the Unit Owner and to the first Mortgagee jointly.

C. Surplus. It shall be presumed that the first moneys distributed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial Owners of the fund.

#### EMINENT DOMAIN

11.01. Proceeds. The taking of a portion of a Unit or of the Common Elements by eminent domain shall be deemed to be a casualty and the determination as to whether the Condominium will be reconstructed or repaired or continued after condemnation will be determined in the manner provided for in the ACT and under Reconstruction or Repair after casualty and the awards for such taking shall be deemed proceeds from insurance

on account of the casualty and shall be deposited with the Association as Insurance Trustee. Even though the awards may be payable to a Unit Owner, the Unit Owner shall deposit the awards with the Association as Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association an Assessment shall be made against a defaulting Unit Owner in the amount of his award, or the amount of such award shall be set off against the sums hereafter made payable to such Unit Owner.

11.02. Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the condemnation awards will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided in this Declaration for the distribution of insurance proceeds if the Condominium is terminated after damage to the Common Elements. If the Condominium is not terminated after condemnation, the size of the Condominium Property will be reduced and the Property damaged by the taking will be made usable in the manner provided by the ACT and as provided below. The proceeds of such award shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Association after damage to the Common Elements.

11.03. Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

A. Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, and the Owner of the Unit does not within a reasonable period of time provide the additional funds required for restoration, such additional funds may, in the discretion of the Board of Directors, be extended for restoration by the Association and be assessed against the Unit Owner as an Assessment.

B. Distribution of Surplus. The balance of the award, if any, shall be distributed to the Owner of the Unit and to any first Mortgagee of a Unit, the remittance being made payable jointly to the Unit Owner and any such first Mortgagee.

C. Adjustment of Shares in Common Elements. If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements, the Common Expenses and the Common Surplus appertaining to the Unit shall be reduced in accordance with the ACT.

11.04. Unit Made Unhabitable. If the taking is of the entire Unit, or so reduces the size of the Unit that it cannot be used practically or lawfully for any purpose permitted by the Declaration, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium.

A. Payment of Award. The award shall be paid first to any first Mortgagee in an amount sufficient to pay off its mortgage on such Unit; and then jointly to the Unit Owner and other Mortgagees of the Unit in an amount not to exceed the market value of the Condominium parcel immediately prior to the taking as diminished by any sums from the award previously reserved for any first Mortgagee; and the balance, if any, to the repairing and replacing of the Common Elements damaged by the taking.

B. Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in condition for use by all of the Unit Owners in the manner approved by the Board of Directors; provided that if the cost of the work shall exceed the balance of the fund from the award for the taking, the work shall be approved in the manner elsewhere required in this Declaration for further improvement of the Common Elements.

C. Adjustment of Shares in Common Elements, Common Expenses and Common Surplus. The shares in the Common Elements, the Common Expenses, and the Common Surplus appurtenant to

the Units that continue as part of the Condominium shall be adjusted to distribute the ownership of the other shares among the reduced number of Unit Owners. This adjustment shall be done by restating said share of the continuing Unit Owners as percentages aggregating one hundred percent (100%) so that the shares appurtenant to the Units of the continuing Owners shall be in the same proportions to each other as before the adjustment.

D. Assessments. If the balance of the award (after payments to the Unit Owner and such Owners' Mortgagees as above provided) for the taking is not sufficient to finance the alteration of the remaining portion of the Unit for use as part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. Such Assessments shall be made in proportion to the shares of those Unit Owners in the Common Elements after the changes effected by the taking.

E. Arbitration. If the market value of a Condominium parcel prior to the taking cannot be determined by agreement between the Unit Owners, Mortgagees of the Unit, and the Association within thirty (30) days after notice by either party, the value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that arbitrators shall be two (2) appraisers appointed by the American Arbitration Association who shall base their determination on an average of their appraisals of the Condominium parcels; and a judgment of specific performance on the decision rendered by the arbitrators may be entered into any court of competent jurisdiction. The cost of arbitration proceedings shall be assessed against all Owners of Units prior to the taking in proportion to the shares of the Owners in the Common Elements as they exist prior to the changes effected by the taking.

11.05. Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board of Directors; provided that if the cost of the work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner required elsewhere in this Declaration for further improvement of the Common Elements. The balance of the awards for the taking of the Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements, after adjustment of these shares on account of the condemnation, except that if a Condominium parcel is encumbered by a first mortgage, the distribution shall be paid jointly to the Owner and the first Mortgagee of the Condominium parcel.

11.06. Conflict with Act. If there is any conflict with the provisions of this article and the ACT, the provisions of the ACT shall control.

## USE RESTRICTIONS

The use of the Condominium Property shall be in accordance with the provisions of this Declaration and with the following provisions so long as the Condominium exists.

12.01. Units. Each Condominium Residential Unit shall be occupied and used by a family, their employees, and guests only as a residence and for the furnishing of services and facilities herein provided for the enjoyment of such residence. The foregoing restrictions as to residence, however, shall not be construed in such manner as to prohibit a Unit Owner from:

- (1) Maintaining his personal professional libraries;
- (2) Keeping his personal business or professional records or accounts;
- (3) Handling his personal business or professional telephone calls or correspondence.

Such uses are declared expressly customarily incidental to the principal residential use and not in violation of said restrictions.

12.02. Miscellaneous Restrictions.

A. Nothing shall be stored in or upon the Common Elements or Limited Common Elements without prior consent of the Board except in storage closets or areas or as otherwise herein expressly provided;

B. Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance for the Property without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in his Unit or in or on the Common Elements which will result in the cancellation of insurance of any Unit or any part of the Common Elements or which will be in violation of any law;

C. No waste shall be committed in or on the Common Elements.

D. Each Unit Owner shall provide and maintain garbage and trash receptacles as may be directed by the Board, and all garbage and trash shall be kept in said receptacles.

E. No Unit Owner or occupant shall disturb or annoy other occupants of the Condominium Property nor shall any occupant or Unit Owner commit or permit any nuisance, noxious, offensive, immoral or illegal act in his Unit or on the Property.

F. Subject to Development Rights under this Declaration, no sign of any kind shall be displayed to the public view on or from any Unit or the Common Elements without the prior written consent of the Board or the written consent of the Managing Agent acting in accordance with the Board's direction.

G. Except as expressly provided hereinabove, nothing shall be altered or constructed in or removed from the Common Elements, except upon the written consent of the Board.

H. No structure of a temporary character, trailer, tent, shack, garage, barn or other outbuildings shall be permitted on the Property at any time, temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof.

I. Outdoor drying of clothes, bedding or similar items is not permitted.

J. Parking of vehicles in driveways and parking areas shall be subject to the Rules and Regulations of the Board applicable thereto.

K. Except within individual Units, no planting, transplanting or gardening shall be done, and no fences, hedges or walls shall be erected or maintained upon the Property, except as approved by the Board.

L. Motorcycles, motor bikes, motor scooters or other similar vehicles shall not be operated within the Property except for the purpose of transportation, it being intended that said vehicles shall not be operated within the Property so as to annoy or disturb persons or endanger persons or Property.

M. All parts of the Property shall be kept in a clean and sanitary condition and no rubbish, refuse or garbage shall be allowed to accumulate nor any fire hazard allowed to exist.

N. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair of the Condominium Property shall be the same as the responsibility for the maintenance and repair of the Condominium Property concerned.

O. Neither the Board nor the Association shall take, or permit to be taken, any action that unlawfully discriminates against one or more Unit Owners.

12.03. Pets. All animals or pets of any kind which shall be kept in any Unit or any Property of the Condominium shall be subject to the rules and regulations adopted for keeping such pets by the Board of Directors of the Association. No animals shall be kept for commercial purposes nor be allowed to create or cause any disturbance or nuisance of any kind, and if an animal or pet does cause or create a nuisance or an unreasonable disturbance, said animal or pet shall be permanently removed from the Property within three (3) days from the day the owner receives the written notice from the Board of Directors of the Association. The Owner of any pet or animal shall be liable for any and all damage caused by such animal or pet to any part of the Condominium Property or to any other Property operated by the Association.

12.04. Employees. No employee, customer or patron of a Unit Owner shall be allowed either to use any of the facilities which are Common Elements of the Condominium Property or to use any of the Property owned or operated by the Association.

12.05. Use of Common Elements. The Common Elements shall be used in accordance with this Declaration and only by the Unit Owners and their agents, tenants, family members, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to the use of the Units. However, other areas designated for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

12.06. Unrestricted Right of Transfer. The right of a Unit Owner to sell, transfer, or otherwise convey his Unit shall not be subject to any right of first refusal by the association or similar restriction.

12.07. Leases. Entire Units may be leased by the Unit Owners; provided, however, that such lease and the rights of any tenant thereunder are hereby made expressly subject to the power of the Association to prescribe reasonable rules and regulations relating to the lease and rental of Units -- including restrictions concerning the minimum periods or terms of short-term rentals -- and to enforce the same directly against such tenant or other occupant by the exercise of such remedies as the Board deems appropriate, including eviction. No individual rooms may be rented. Anything to the contrary notwithstanding, the Developer, and its assigns, retain the right to maintain sales offices, management offices, leasing and operations offices and models on the Condominium property as provided in Paragraph 7.11, above.

12.08. Regulations. Reasonable regulations concerning the use of the Condominium Property may be made by the Developer and amended from time to time by the Board of Directors of the Association. Copies of such regulations or amendments thereto shall be furnished by the Association to all Unit Owners and residents of the Condominium upon request.

12.09. Parking. Parking shall be subject to the rules and regulations of the Association.

12.10. No Restrictions on Mortgaging Units. Anything construed in any of the Condominium Documents to the contrary, there shall be no restrictions on the right of a Unit Owner to mortgage his Unit.

#### AMENDMENT

13. This Declaration and the By-Laws of the Association may be amended as provided in the Act.

## PURCHASE OF CONDOMINIUM UNIT BY ASSOCIATION

14.01. Decision. The decision of the Association to purchase a Condominium Unit shall be made by the Board of Directors without the approval of the Members except as provided in this Article.

14.02. Limitation. If at any time the Association is already the Owner of or has agreed to purchase one or more Condominium Units, it may not purchase any additional Condominium Units without the prior written approval of Members holding seventy-five percent (75%) of the votes of those Members eligible to vote thereon, except as provided in this Article. A Member whose Condominium Unit is the subject matter of the proposed purchase shall be ineligible to vote thereon. Notwithstanding the foregoing, however, the foregoing limitations shall not apply to a Condominium Unit either to be purchased at public sale resulting from a foreclosure of the Association's lien for delinquent Assessments where the bid of the Association does not exceed the amount found due the Association, or to be acquired by the Association in lieu of foreclosure of such lien if the consideration therefore does not exceed the cancellation of such lien. In any event, the Board of Directors, or a designee thereof, acting on behalf of the Association, may only purchase a Condominium Unit in accordance with this Article, or as the result of a sale pursuant to the foreclosure of:

- (1) A lien on the Condominium Unit for unpaid taxes;
- (2) A lien of a mortgage;
- (3) The lien for unpaid Assessments; or
- (4) Any other judgment lien or lien attaching to such Condominium Unit by operation

of law.

### NOTICE OF LIEN

15.01. Notice of Lien. A Unit Owner shall give notice in writing to the Secretary of the Association of every lien on his Condominium Unit, other than liens for first mortgages, taxes, and special Assessments, within five (5) days after he receives notice of the attaching of the lien.

15.02. Notice of Suit. A Unit Owner shall give notice in writing to the Secretary of the Association of every suit or other proceeding that may affect the title to his Condominium Unit, with such notice to be given within five (5) days after the Unit Owner obtains knowledge thereof.

15.03. Failure to Comply. Failure to comply with this section will not affect the validity of any judicial proceeding.

### RULES AND REGULATIONS

16.01. Compliance. Each Unit Owner and the Association shall be governed by and shall comply with the terms of the Condominium Documents and the rules and regulations applicable to the Condominium Property. Ownership of a Unit subjects the Unit Owner to compliance with provisions of the Declaration, the Articles, the By-Laws, the Rules and Regulations of the Association, and any contracts to which the Association is a party, as well as to any amendments to any of the foregoing. Failure of the Unit Owner to comply therewith shall entitle the Association or other Unit Owners to an action for damages or injunctive relief, or both, in addition to other remedies provided in the Condominium Documents and the Act.

16.02. Enforcement. The Association, through the Board of Directors, is hereby empowered to enforce the Condominium Documents and all rules and regulations of the Association by such means as are provided by the Act, including the imposition of reasonable fines (after reasonable notice and opportunity to be heard) from

time to time a set forth in the By-Laws. In the event a Unit Owner fails to maintain his Unit in the manner required in the Condominium Documents and any rules and regulations of the Association, the Association, through the Board of Directors, shall have the right to assess the Unit Owner and the Unit for the sums necessary to do the work required to effect compliance and to collect, and enforce the collection of, a Special Assessment therefor as provided in this Declaration. In addition, the Association shall have the right, for itself and its employees and agents, to enter such Owner's Unit and perform the necessary work to effect compliance.

16.03. Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect, or carelessness or by that of any member of his family, his lessees, or his guests, invitees, employees or agents, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire and casualty insurance rates occasioned by the use, misuse, occupancy or abandonment of a Unit, or the Common Elements. The liability for such increases in insurance rates shall equal five (5) times the first resulting increase in the annual premium rate for such insurance.

16.04. No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Act, the Condominium Documents, or any rules and regulations adopted pursuant thereto shall not constitute a waiver of the right to do so.

#### **GENERAL PROVISIONS PERTAINING TO MORTGAGES**

17.01. Lender's Notices. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor and the Unit number or address, any mortgage holder, insurer or guarantor will be entitled to timely written notice of:

- A. Any condemnation or casualty loss that affects either a material portion of the project or the Unit securing its mortgage.
- B. Any 60-day delinquency in the payment of Assessments or charges owed by the Owner of any Unit on which it holds the mortgage.
- C. A lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.
- D. Any proposed action that requires the consent of a specified percentage of mortgage holders.

17.02. Blanket Mortgages. The entire Condominium Property, or some or all of the Units included therein, may be subjected to a single or blanket mortgage constituting a lien subordinate to all other prior liens thereon created by a recordable instrument executed by all of the Owners of the Property or Units covered thereby. Any Unit included under the lien of such mortgage may be sold or otherwise conveyed or transferred subject thereto. Any such mortgage shall provide a method whereby any Unit Owner may obtain a release of his Unit from the lien of such mortgage and a satisfaction and discharge in recordable form upon payment to the holder of the mortgage of a sum equal to the reasonable proportionate share attributable to his Unit of the then outstanding balance of unpaid principal and accrued interest, and any other charges then due and unpaid. The proportionate share of the mortgage required to be paid for release shall be determined by provisions pertaining thereto stated in the mortgage, or, if the mortgage contains no such provisions, then according to the proportionate share of the common elements of the Condominium attributable to such Unit or Units.

#### **TERMINATION**

18. The termination of the Condominium may be effected in accordance with the provisions of the Act and by agreement of Unit Owners of Units to which at least ninety percent (90%) of the votes in the Association are

allocated. The agreement shall be evidenced by a written instrument executed in the manner required for a deed and recorded in the public records of Baldwin County, Alabama. After termination of the Condominium the Unit Owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares.

#### COVENANT AGAINST PARTITION

19. There shall be no judicial or other partition of the Condominium Property, or any part thereof, nor shall Developer or any Person acquiring any interest in the Property or any part thereof seek any such partition unless the Property has been removed from the provisions of the ACT.

#### MISCELLANEOUS

20.01. Intent. It is the intent of the Developer to create a Condominium pursuant to the ACT. In the event that the Condominium created by this Declaration shall fail in any respect to comply with the ACT, then the common law as the same exists on the filing date of this Declaration shall control, and the Condominium hereby created shall be governed in accordance with the laws of the State of Alabama, the By-Laws, the Articles, and all other instruments and exhibits attached to or made a part of this Declaration.

20.02. Covenants, Conditions and Restrictions. All provisions of the Condominium Documents shall to the extent applicable, and unless otherwise expressly therein provided to the contrary, be perpetual and be construed to be covenants running with the land and with every part thereof and interest therein; and all of the provisions of the Condominium Documents shall be binding on and inure to the benefit of any Owner of all or any part thereof, or interest therein, and his heirs, executors, administrators, legal representatives, successors and assigns, but said provisions are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All Unit Owners and Occupants shall be subject to and shall comply with the provisions of the Condominium Documents and any rules and regulations promulgated thereunder.

20.03. Severability. The invalidity in whole or in part of any covenant or restriction or any paragraph, subparagraph, sentence, clause, phrase, word or other provision of this Declaration, the Articles, the By-Laws, any rules and regulations of the Association promulgated pursuant thereto, and any exhibits attached hereto, as the same may be amended from time to time, or the ACT, or the invalidity in whole or in part of the application of any such covenant, restriction, paragraph, subparagraph, sentence, clause, phrase, word or other provision shall not affect the remaining portion thereof.

20.04. Notice. The following provisions shall govern the construction of the Condominium Documents, except as may be specifically provided to the contrary herein: All notices required or desired under the Condominium Documents to be sent to the Association may designate from time to time by notice in writing to all Unit Owners. Except as provided specifically to the contrary in the ACT, all notices to any Unit Owner shall be delivered in person or sent by first-class mail to the address of such Unit Owner at the Condominium, or to such other address as he may have designated from time to time, in a writing to the Association. Proof of such mailing or personal delivery to a Unit Owner by the Association may be provided by the affidavit of the Person or by a post office certificate of mailing. All notices to the Association of a Unit Owner shall be deemed to have been given when delivered to the addressee in person or by a post office certificate of mailing of the date of the mailing.

20.05. Governing Law and Arbitration. Any dispute or litigation arising between any of the parties concerning matters, rights, or duties affected or determined by the Condominium Documents, such dispute or litigation shall be governed by the laws of the State of Alabama, and such dispute, disagreement, or question between the parties, including any between the Association and Developer, except a dispute concerning the filing or enforcement of a lien as provided for elsewhere in this Declaration, shall be submitted to arbitration under the Rules of the American Arbitration Association unless the concerned parties otherwise agree in writing. The arbitration shall render a decision which shall be binding on all parties to the arbitration, based on traditional and

standard interpretation of the laws of the State of Alabama. Except as to the enforcement of liens, all parties subject to this Declaration forego all right to take legal action thereunder except to enforce any arbitration award, which award shall be a condition precedent to any right of legal action that any party may have against the other. It shall be deemed that each party who takes title subject to this Declaration stipulates that this Development and contracts arising from and related to the same have a substantial effect on interstate commerce.

20.06. Waiver. No provisions contained in the Condominium Documents shall be deemed to have been waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

20.07. Ratification. Each Unit Owner, by reason of having acquired ownership of his Condominium Parcel, whether by purchase, gift, operation of law or otherwise, shall be deemed to have acknowledged and agreed that all the provisions of the Condominium Documents, and any Rules and Regulations promulgated thereunder, are fair and reasonable in all material respects.

20.08. Captions. The captions used in the Condominium Documents are inserted solely as a matter of convenience and reference and shall not be relied on and/or used in construing the effect or meaning of any of the text of the Condominium Documents.

20.09. Costs and Attorney's Fees. In any proceeding arising because of an alleged default by a Unit Owner, the prevailing party shall be entitled to recover the costs of the proceedings and such reasonable attorney's fees as may be awarded by the Court or Arbitrator.

#### **ARTICLE V MEETINGS OF MEMBERS**

5.01. Annual Meeting. The annual meeting of the members shall be held on the date, at the place, and at the time, as determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and not later than thirteen months after the last preceding annual meeting. The purpose of the annual meeting shall be to elect the Directors, and to transact any other business authorized to be transacted by the Members or stated in the notice of the meeting sent to the Members in advance thereof.

In the absence of a quorum at any meeting of members, a majority of those Members entitled to vote thereat, present in person or by proxy, shall have the power to adjourn the meeting, from time to time, without notice other than announcement of the meeting, until the requisite number of members, present in person or by proxy, shall be present. 5.10. Proviso. Provided, however, the Developer shall retain control of the Association in accordance with the terms and conditions of the Declaration.

## ARTICLE VI MEMBER'S VOTING RIGHTS

6.01. Number of Votes. The number of votes to which each Unit is entitled is provided in the Declaration. The votes of a Unit shall not be divisible.

6.02. Vote Required to Transact Business. When a quorum is present, the holders of a majority of the voting rights present, in person or by proxy, shall decide any question brought before the meeting, unless the question is one on which, by express provision of the Act or the

Condominium Documents, a different number or manner of voting is required, in which case the express provision shall govern and control the decision in question.

6.03. Designation of Voting Member. If a Unit is owned by more than one person, the person entitled to cast the vote or votes for the Unit may be designated by a certificate signed by all of the record owners of the unit and filed with the Secretary of the Association. If a Unit is owned by a corporation, partnership, trust, or other legal entity, the person entitled to cast the vote or votes for the Unit may be designated by a certificate of appointment signed by a duly authorized representative of the entity and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit involved. A certificate may be revoked by any owner of an interest in the Unit.

6.04. Failure to Designate a Voting Member. If a Unit is owned by more than one person and they do not designate a voting member, the following provisions shall apply:

(1) If more than one such owner is present at any meeting, and they are unable to concur in a decision on any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, however, said vote or votes shall be included in the determination as to the presence of, or lack thereof, of a quorum.

(2) If only one such owner is present at a meeting, that person shall be entitled to cast the vote or votes pertaining to the Unit.

(3) If more than one such owner is present at the meeting, and they concur, any one such owner may cast the vote or votes for the Unit.

6.05. Voting by Proxy. Votes may be cast in person or by proxy, as provided for in the Act. All proxies must be in writing, dated, signed by the Member generating the proxy, and filed with the Secretary of the Association before the appointed time of any meeting to which it applies. A Member may revoke a proxy at any time by delivering a written notice of revocation to the Association.

6.06. Conditional Proxy. The granting of a mortgage on a Unit by its owner(s) shall be construed as conferring upon the mortgagee a conditional proxy to cast the vote or votes attributable to such Unit at any regular or special meeting of the Association. The condition of such proxy shall be notice by such mortgagee to the Association, in writing, of its intent to exercise the conditional proxy rights granted to it, as mortgagee, by the terms of this subparagraph. In the absence of such written notice, the Association shall be entitled to recognize the Unit Owner(s)' vote attributable to their unit. However, once such written notice is received by the Association, the mortgagee's right to cast the vote or votes attributable to that unit shall be recognized by the Association until the mortgagee withdraws its intent to cast such votes, in writing, or until the mortgage is paid in full and satisfied of record, whichever first occurs.

## ARTICLE VII BOARD OF DIRECTORS

7.01. Number. The affairs of this Association shall be managed by a Board of Directors, consisting of the number as may be selected by the members, however the Board shall consist of no less than three (3) persons nor more than five (5) persons.

7.02. Qualification. Except for Directors appointed by the Developer, each Director shall be a Unit Owner. If a Unit Owner is a trust, then the beneficiary of the trust may be a Director; and if a Unit Owner is a corporation or partnership, then an officer, partner, or employee of such Unit Owner may be a Director. If a Director shall cease to meet such qualifications during his term, he shall cease to be a Director and his place on the Board shall be deemed vacant.

7.03. Appointment by Developer. The initial Board of Directors, as well as successor Directors, shall be appointed by the Developer/Declarant, and may be removed by the Developer/Declarant at any time. The Developer/Declarant shall have the right to appoint and remove Directors in accordance with the terms of the Declaration. The Directors appointed by the Developer need not be Unit Owners.

7.04. Nomination for Election. Nomination for election to the Board of Directors shall be made from the floor at the annual meeting of Members or at any other meeting of Members called for the purpose of electing Directors. Nominations shall also be made by a nominating committee appointed by the Board prior to the annual meeting of the Members or prior to any other meeting of members called for the purpose of electing Directors.

12. No ventilator or air conditioning device shall be installed in any Unit without the prior written approval of the Board.

13. All radio, television or other electrical equipment of any kind or nature installed or used in each Unit shall fully comply with all rules, regulations and requirements or recommendations of the local fire department and the public authorities having jurisdiction, and the Unit Owner alone shall be liable for any damage or injury caused by any radio, television or other electrical equipment in such Unit Owner's Unit.

14. No bicycles, scooters or similar vehicles shall be taken into or from the Building through the main entrance or be allowed in any of the stair-wells or stored in places other than as designated by the Board for that purpose, and no baby carriages or any of the above-mentioned vehicles shall be allowed to stand in the common halls, passageways or other common areas of the Building.

15. An Owner may identify his Unit with a name plate of a type and size approved by the Association and mounted in a place and manner approved by the Association. No other

signs may be displayed except as approved by the Association. This restriction shall not apply to the Developer until after all Units are sold.

16. No Unit Owner shall make or permit any disturbing noises or activity in the Building, or do or permit anything to be done therein, which will interfere with the rights, comforts or conveniences of other Unit Owners or tenants. No Unit Owner shall play upon or cause to be played upon any musical instrument, or operate or permit to be operated a phonograph, radio, television set, loud speaker, or other sound amplification device in such Unit Owner's Unit between 10 p.m. and the following 9 a.m., if the same shall disturb or annoy other occupants of the Building, and in no event shall a Unit Owner practice or cause to be practiced either vocal or instrumental music between the hours of 10 p.m. and the following 9 a.m. No construction or repair work or other installation involving noise shall be conducted in any Unit except on weekdays (not including legal holidays) and only between the hours of 8 a.m. and 5 p.m., unless such construction or repair work is necessitated by an emergency. Unit Owners shall not cause or permit any unusual or objectionable noises or odors to be produced upon or to emanate from their Units or any terrace or deck appurtenant thereto.

17. All service and delivery persons will be required to use the entrance designated by the Board.

18. Water-closets and other water apparatus in the Building shall not be used for any purpose other than those for which they are designed, nor shall any sweepings, rubbish, rags or any other article be thrown into the same. Any damage resulting from misuse of any water-closets or other apparatus in a Unit shall be repaired and paid for by the Owner of such Unit.

19. The agents of the Board and any contractor or workman authorized by the Board may enter any room or Unit at any reasonable hour of the day for the purpose of inspecting such Unit for the presence of any vermin, insects or other pests and for the purpose of taking such measures as may be necessary to control or exterminate in a reasonable manner so as not to unreasonably interfere with the use of such Unit for its permitted purposes.

20. The Board may retain a pass-key to each Unit. If any lock is altered or a new lock is installed, the Board shall be provided with a key thereto immediately upon such alteration or installation. If the Unit Owner is not personally present to open and permit an entry to his Unit at any time when an entry therein is necessary or permissible under these Rules and

---

Regulations or under the By-Laws and has not furnished a key to the Board, then the Board or its agents (but, except in an emergency, only when specifically authorized by an officer of the Condominium) may forcibly enter such Unit without liability for damages or trespass by reason thereof (if during such entry reasonable care is given to such Unit Owner's property).

21. No vehicle belonging to a Unit Owner or to a member of the family or guest, tenant or employee of a Unit Owner shall be parked in such manner as to impede or prevent ready access to any entrance to or exit from the Building by another vehicle.

22. Unless otherwise authorized by the Association, the parking areas may not be used for any purpose other than parking automobiles. No buses, trucks, trailers, boats, recreational or commercial vehicles shall be parked in the parking areas or in driveways except in those areas, if any, designated specifically for such parking by the Board. All vehicles must have

current license plates and be in good operating condition. No vehicles shall be parked on the Condominium with conspicuous "For Sale" signs attached.

23. All Unit Owners shall observe and abide by all parking and traffic regulations as posted by the Association or by municipal authorities. Vehicles parked in violation of any such regulations may be towed away at the Unit Owner's sole risk and expense.

24. The Board may from time to time curtail or relocate any portion of the Common Elements devoted to storage, recreation or service purposes in the Building.

25. Complaints regarding the service of the Condominium shall be made in writing to the Board.

26. Any consent or approval given under these Rules and Regulations may be added to, amended or repealed at any time by resolution of the Board.

27. Except as permitted under the Declaration and By-Laws, Unit Owners, their families, guests, servants, employees, agents, visitors or licenses shall not at any time or for any reason whatsoever enter upon or attempt to enter upon the roof of the Building.

28. No Unit Owner or any of his agents, servants, employees, licenses or visitors shall at any time bring into or keep in his Unit any inflammable, combustible or explosive fluid, material, chemical or substance, except as shall be necessary and appropriate for the permitted uses of such Unit.

29. Employees and agents of the Association are not authorized to accept packages, keys, money (except for condominium assessments) or articles of any description from or for

the benefit of a Unit Owner. If packages, keys (whether for a Unit or an automobile), money or articles of any description are left with the employees or agents of the Association, the Unit Owner assumes the sole risk therefor and the Unit Owner, not the Association, shall be liable for injury, loss or damage of any nature whatsoever directly or indirectly resulting therefrom or connected therewith. The Association does not assume any responsibility for loss or damage in such cases. Deliveries requiring entrance to a Unit Owner's Unit will not be accepted without the prior written permission of the Unit Owner accompanied by a written waiver of all liability in connection with such deliveries.

30. If any key or keys are entrusted by a Unit Owner or by any member of his family or by his agent, servant, employee, licensee or visitor to an employee of the Association, whether for such Unit Owner's Unit or an automobile, trunk or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit Owner, and the Board shall not be liable for injury, loss or damage of any nature whatsoever, directly or indirectly resulting therefrom or connected therewith.

31. Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance of the Building or contents thereof without the prior written consent of the Board. No Unit Owner or occupant shall permit anything to be done or kept in his Unit or in the Common Elements which will result in the cancellation of insurance on the Building or which would be in violation of any law. No waste shall be committed in the Common Elements.

32. No group tour or exhibition of any Unit or its contents shall be conducted, nor shall any auction sale be held in any Unit without the consent of the Board.

33. No Unit Owner shall install any plantings on any terrace, patio or roof except with the permission of the Board.

34. All occupants of Units and Unit Owners must comply with the requirements of the Alabama Uniform Condominium Act of 1991, Articles of Incorporation of the Association, By-Laws of the Association, the Declaration and these rules and regulations.

35. The Association allows the presence of pets on the condominium property. Animals may not be maintained and kept for commercial purposes. The Board may, in its discretion, order the removal of any pet that has sufficiently and reasonably been shown to be a nuisance to other Unit Owners.

36. All persons shall be properly attired when appearing in any of the following portions of the property public halls, community buildings and any other public spaces of the condominium.

37. Rules of behavior regarding the swimming pool, and other recreational and storage areas shall be promulgated by the Board of Directors of the Association and all Unit Owners shall comply with such rules.
