- Boat slips are not owned by owners (they are assigned). Slips MAY NOT be rented out to anyone who is not an Owner in Walker Key.
- All Boats and Jet Ski's in our Marina MUST be covered by Liability insurance, in the amount of 100K.
- It is mandatory that as the owner of these watercrafts, you need to turn a copy of your coverage into The Coastline Management and be issued an OWNER decal for your Craft(s).
- Once the current year decal is obtained, it shall be placed on the windshield or Port side stern, or both, so it can easily be visible and viewed from the dock!
- All boat slips are assigned to and are the responsibility of the Condo owner. Therefore, NO Watercraft should be Docked in any slip without explicit permission of the owner of said slip! Also, slip maintenance is the responsibility of the Condo owner. Keep water lines, electrical lines and water hoses neat and connected. Old ropes and lines should be removed from docks and pilings.
- Visitors in Boats or Jet Ski's NOT staying overnight should dock their boats on the long walk piers on the east or west side. Docking should be in a North to South direction, with a Bow and Stern line.
- DO NOT dock in the boat loading zone at the North end of the Marina. This is a temporary loading zone and boats should not be left unattended.
- Any RENTER or any OVERNIGHT guest that wishes to have a vessel in our Marina overnight is REQUIRED to provide proof of liability insurance in the amount of 100K to Coastline Management. This will also require a FEE PAYMENT of \$100.00 at which time you will be issued a TEMPORARY PERMIT PASS to be displayed on your boat at all times while docked.
- Since Coastline Management is open Mon-Fri 8:00 AM until 5:00 PM, these permits must be handled during these business hours!!!
- Effective 4/15/20, our new Harbor Master will be patrolling the Marina and watching for violations. The Board of Directors has mandated fines for violations. The appropriate fine will be assessed to your Condo.

You can find a complete copy of the MARINA RULES AND POOL RULES and much more information on our Web Site, www.walkerkeycondos.com

Hurricane (Storm) Season

Please remember that it is MANDATORY that boats be removed from the slips within 24 hours of the FIRST HURRICANE WARNING for our area. There will be a fine of \$1000.00 for boats, jet skis and other watercraft left unattended in addition to any accrued cost for removal, towing and/or storage of vessel and any damage caused by vessel. All owners are responsible for renters, relatives, friends, or any unknown person using their slip(s). There are no exceptions to this rule.

The storage unit walls are sacrificial and will wash/blow out destroying all contents within. Plans should be made to remove expensive equipment and clean out freezer/refrigerators.

If a mandatory evacuation is placed, all vehicles, trailers, golf carts and ATVs must be removed from the property. When leaving your unit, please make sure outside furniture, fixtures, televisions, hoses, toys, and anything not nailed down are properly secured inside your unit or at an alternative location. They can become airborne and cause damage to units or the building.

You will not be allowed to return until the local authorities place an "all clear" notice. At that time, you will most likely have to have your Orange Beach Hurricane Decal on your vehicle in order to assess damage. We have a contract with a storm clean up group. We will also be letting them assess when safe to return.
